Large photos of the Kindle books covers makes it especially easy to quickly scroll through and stop to read the descriptions of books that you're interested in.

Google

Wow! Loved this medium. Very cool effort for teachers and kids – can't wait to share it at home. The technology in the presentation was great. Seemed like it kept the attention of the viewers. Thank you for the resources. Very interested in incorporating the videos into our career education program. Very helpful to students in career exploration.
