However, research is presently scarce on how people would like to participate in, and what would they expect to gain from, such platforms. We address this gap by exploring these questions in the context of the UK energy market. Using a qualitative interview study, we examine how 45 people with an interest in renewable energy understand P2P.

### CHI 2020 Free Proceedings - CHI 2020

Qualitative Research is an international, interdisciplinary journal that publishes on the methodological diversity and multi-disciplinary focus of qualitative research.
