**How to Thread a Juki DDL-8700 Industrial Sewing Machine**

**I feel that at this point I have outgrown my home-style sewing machine. It's old, I have to have adjust tension after every hour or two of sewing, it is a bit slow and jerky, and it regularly gets bogged down on some of my heavier projects. I am also dipping my toes into starting a small business making gear. So, I am looking for a new injector, preferably of the industrial sort.**
