A metaphor is a figurative device in which one thing is compared to another unlike thing.. A metaphor directly compares the two things-saying that one thing is the other. This makes it different from a simile because a simile says that it is like the other.

English ESL unscramble worksheets - Most downloaded (51 ...  
Metaphor Examples for Kids A metaphor is a figure of speech that is used to make a comparison between two things that aren't alike but do have something in common. Unlike a simile, where two things are compared directly using like or as , a metaphor's comparison is more indirect, usually made by stating something is something else.
